NATURALEZA SUPREMA

Naturaleza Suprema, is a Colombian rap group formed by the mc's Lucía Vargas, Karen Tovar and Dj Km1kc, whose content it's a critical view of the social - violent, political and environmental reality. From its beginnings, the group has been linked to different social claims, participating through their music, in innumerable worker's festivals, support to base organizers, enforced disappearances and social actions in defense of human rights and nature rights. They stand out for their feminist lyrics with social content and community activism.

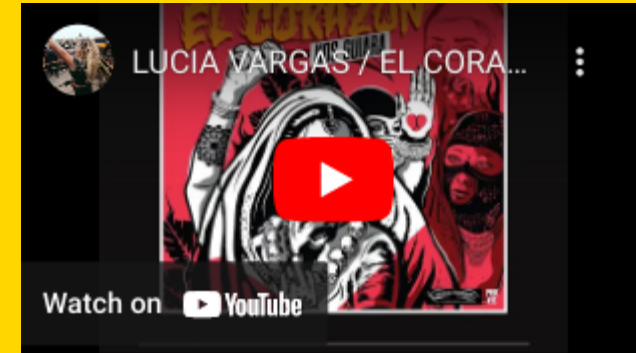

“Tiempos De Emancipación” it 's Naturaleza Suprema's new long running album. Feminist and activist. In their lyrics they report social and cultural poornes, and position themselves in favor of woman rights and against gender violence. Tiempos de Emancipación, its promptly inspired by what lead to the social outbreak in Colombia.

This production also pays tribute in life to Colombians ancestral communities, those who are fighting for the defense of their territories from the destruction provoked by megamining and environmental exploitation in Colombia.

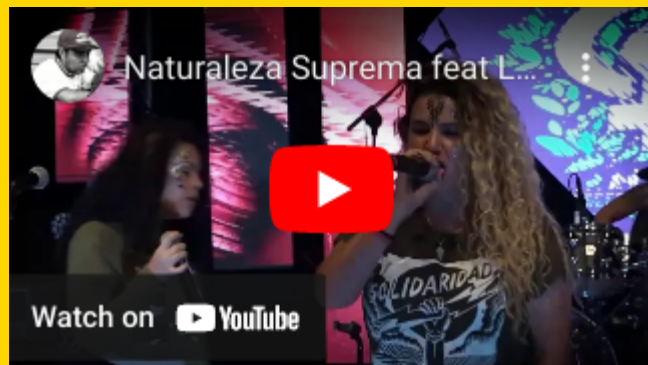

Naturaleza Suprema has been part of Hip Hop festivals, they stand out nationally in events like Hip Hop al Parque 2013, as national guests. At an international level, they have been invited to events like La Rosa Luxemburg Conference (2011) in Germany, as the young latin americans representation. Planet Rock (2015) in Chile, Nectar Festival (2015) in Argentina, Europe tour, 2015 "Sabiduria Ancestral", 2017 "Sonrrisa Insurrecta", 2022 "Tiempos de Emancipación"; performing in countries like Germany, Denmark, Spain, Basque country, Austria, France and Switzerland.
